Career Objective: To secure a challenging position as a Java Developer where I can leverage my strong programming skills in Java and Python, contribute to robust software development projects, and advance my career in enterprise application development and software engineering.

Educational Details:

Degree	School/College Name	Board/University	Month - Year	Grade / Percentage
BE	G.E.C. PATAN	GTU	2023-2026	79%
DIPLOMA	G.P. Gandhinagar	GTU	2020-2023	86%
SSC	R.C. Patel	GSEB	2019-2020	67%

Technical Skills:

- **Programming Languages:** Proficient in **Python**, **Java**, and **C# (.NET)** with a solid understanding of object-oriented programming and application development.
- **Web Technologies:** Hands-on experience with **HTML5**, **CSS3**, and **Basic JavaScript** for creating responsive and structured front-end interfaces.
- **Frameworks & Platforms:** Familiar with **.NET Framework**, **.NET Core**, and development using **Visual Studio**.
- **Databases:** Working knowledge of **MySQL**; experience in designing and querying relational databases
- **Tools & IDEs:** **Visual Studio Code**, **NetBeans**, **Git**, **Android Studio**, **Visual Studio**.
- **Development Practices:** Understanding of **SDLC**, **Agile methodology**, and collaborative version control with Git.
- **Operating Systems:** Proficient in **Windows**.

Academic Projects:

Project Title – Face Detection Attendance System – Role: Developer

Duration: [May 2024 – July 2024]

- **Description:** Developed an automated attendance system using face recognition technology to identify and record student attendance in real-time. The system uses facial features to authenticate identity and mark presence without manual input.
- **Tools/Technologies:** Python, OpenCV, Haar Cascade, Tkinter, SQLite.

Project Title – Bank Management System – Role: Developer

Duration: [March 2025 – April 2025]

- Description: Designed and developed a web-based banking system that allows users to perform basic banking operations such as account creation, deposit, withdrawal, balance inquiry, and transaction history management.
- Tools/Technologies: Java, Servlet, JSP, Spring, Hibernate, Maven, MySQL, HTML, CSS.

Internships / Training:

Intel AI for Manufacturing Certificate Course – Online

Intern – February 2025 – ongoing

- Participated in a certified online training program focused on Artificial Intelligence applications in the manufacturing industry, conducted by Intel AI Coaches.
- Covered key topics including Introduction to AI Programming and AI Project Cycle for Manufacturing through live interactive sessions.
- Utilized an online learning platform for session participation, project-based learning, and peer interaction.
- Gained foundational understanding of AI workflows relevant to real-world industrial use cases.

INFOLABZ IT Services Pvt. Ltd., Ahmedabad

July 2, 2025 – July 16, 2025

- Completed a 15-day internship focused on **Data Analytics and Machine Learning**, bridging academic knowledge with practical, industry-level applications.
- Gained hands-on experience with key ML concepts and tools through guided learning sessions and practical assignments.
- Participated in orientation sessions and industry-based project simulations to understand real-world problem-solving using data-driven approaches.
- Developed logical thinking and technical skills essential for data-driven decision-making and model implementation.

HTML Intern – Web Development

Rytewave Technology, Ahmedabad

February 1, 2025 – February 28, 2025

- Completed a 1-month internship in the Web Development department, focusing on front-end development using **HTML5**.
- Developed and maintained responsive web pages, ensuring clean and semantic code structure.
- Assisted in converting UI/UX designs into functional and mobile-friendly HTML layouts.
- Collaborated with developers to maintain consistent site structure and improve user experience.
- Performed cross-browser testing and debugging to ensure optimal performance across devices.
- Demonstrated strong learning ability, professional behavior, and enthusiasm for improving coding skills.

Certifications:

- RUSA Component No.12 Vocationalisation of Higher Education Training Program – Government of Gujarat & BSE Institute Ltd. – 2025

Extra-Curricular Activities:

- Volunteered in Farewell Party Event – Contributed to organizing and managing various activities during the college farewell party, including event coordination, stage setup, and guest handling to ensure a smooth and memorable experience for all attendees.

Declaration:

I hereby declare that the above information is true to the best of my knowledge and belief.

Place: Palsana (Surat)

Date: / /2025
